

Dear <insert name>,

In conversations that I've had both professionally and personally, people wonder how finance executives are surviving in such a tumultuous time. Most finance executives are dealing with similar pressures to sustain confidence and move the business forward. And it's only our peers who can really understand what it's like day to day.

On behalf of FEI Canada, I would like to invite you to an evening where you can leave the office behind. You'll be amongst your peers, where you can share ideas, network or just kick back with a well-mixed drink and some great hockey.

Joel Freedman, CFO of Microsoft Canada and an active FEI Canada member, will be hosting this evening in Microsoft's box at the Air Canada Centre. Joel will be joining us, along with a select group of finance executives from some of Canada's most esteemed companies.

It will be an excellent evening, and we hope that you can join us.

When: *April 8, 2009 (Toronto Maple Leafs vs. Buffalo Sabres)*

Where: *Microsoft Box # 205 at the Air Canada Centre*

Please RSVP by March 13th to Melissa Gibson at FEI Canada by email: mgibson@feicanada.org or by phone: 416-366-3007 Ext. 5109

I'll look forward to seeing you on April 8th.

*Michael Conway
Chief Executive and National President
